Right of Way Asked by Court as Condition of Building Bridge Across Little River at Gause

Construction of a bridge over Little River near Gause seemed nearer a reality today as the commissioners' court voted to build the bridge if certain right of way conditions are met on the east side of the river.

It was pointed out here that definite action was withheld pending the outcome of efforts to obtain a right of way leading into Gause from the east side of the river. Responsibility for the right of way has been placed on the citizens of Gause, it was said here.

An interesting development, revealing good business methods of the commissioners' court, became known here today when Commissioner Grady Stidham said the court had obtained an option on a bridge on the Brazos River between Bryan and Caldwell for which the county will pay only $2,500.

Mr. Stidham said if the bridge is constructed to replace the Faubian bridge, it will be the best bridge across Little River with the exception of the highway bridge at Cameron.

Mr. Stidham said that the Gibson brothers of Calvert had donated to the county a right of way on the line in his precinct on the west side of the river and all that remains is for the Gause people to obtain right of way on the east side. Mr. Stidham said that the construction of this bridge would not cost more than approximately $12,000 in his opinion This will be much more reasonable than at first thought and the manner in which the court has handled this transaction has resulted in great savings to the tax payers of commissioners' precints 2 and 3.

Death Threatened in Family Quarrel Stopped by Offiers With Arrest; Cotton Check Responsible

Leo Bailey, Jr., was placed in jail late Friday by Sheriff Kennedy. He is facing charges of disturbing the peace and was arrested on the W. E. Parker farm near Davilla.

Deputy Sheriff Clarence McCall said that the trouble resulted when Bailey went to the Parker residence Friday night and made threats against his son in law, whose name is Lavert. According to Deputy McCall, Bailey is said to have gone to the Parker farm with the intention of killing his son in law because they had had trouble over a government cotton check.

At the time the trouble arose between Bailey and his son in law, he ordered his daughter and her husband off his farm.

When Mr. and Mrs. Lavert moved off the Bailey farm they went to the W. E. Parker farm and had lived there for several weeks. Deputy McCall said about ten days ago Mrs. Ruth Orick, also a daughter of Bailey, went to the Parker residence and quarrelled with her sister, Mrs. Lavert.

On Friday night, said Deputy Mccall, Bailey went to the Parker home, taking along a shot gun. When he reached the Parker farm, he was ordered off the place by Mr. Parker who told officers that Bailey also threatened his life.

Man Who Robbed Thorndale Bank Gets 25 Years In Texas Prison; Gresham Facing Other Terms

Twenty-five years in state prison was the punishment voted Monday morning by a jury in district court for Ralph Gresham, youthful bank robber, on trial here for hold-up of the Thorndale State Bank on April 18, of this year.

Gresham was brought to Cameron on Friday by Sheriff Kennedy from Conroe and was brought into court Monday morning by Deputy Sheriffs Clarence McCall and Dan Gunn. The Youthful bank robber sat quietly at a table about two feet from his lawyer, W. C. Wallace who had been appointed by the court to defend him. Immediately back of Gresham sat Deputy Gunn and across the room also sat Deputy McCall. The young man showed no emotion when the jury returned the verdict. His confession was read to the jury and in addition Gresham entered a plea of guilt to the Thorndale bank robbery.

A man of small stature, dark complection with a shock of curly brown hair, he was neatly dressed and rather handsome. Officers here remarked that he is among the most youthful of bank robbers the state has known.

Gresham was arrested in Wharton county in June this year after he had held up and robbed the Hallettsville State Bank on June 14.

It was said here this morning that he has already been convicted on two previous robbery charges and the sentence here will run concurrent with the other prison terms.

MILANO ROBBERY IS CLEARED BY ARRESTS

Sheriff Kennedy reported Monday morning that he had arrested Tommy Ducan, former convict, in Houston on Friday and returned him to the Milam county jail where charges of burglary have been filed.

Sheriff Kennedy said that Ducan participated in the robbery of the J. D. Peeples' store in Milano on July 4 and that Charles Frank Cates and Steve Tippitt were also members of the robber band that entered the store.

Frank Cates now in the Dallas county jail and Steve Tippitt now in the jail at Edinburg, according to Sheriff Kennedy have made a statement in which they said Tommy Ducan was with them at the time the J. D. Peeples' store was entered on July 4. Based on this information Sheriff Kennedy placed Ducan under arrest and brought him to the Milam county jail. Sheriff Kennedy said that Frank Cates is under federal charges following robbery of the Dallas post office. It was also said by Sheriff Kennedy that Steve Tippitt is facing federal charges following his arrest sometime ago in Tyler. He was found in possession of a stolen automobile and approximately $500 worth of United States postage stamps.

Former Gause Girl Heads Montrose School In Houston

Mrs. R. E. Doty, daughter of Mr and Mrs. Allen Varner of Gause, has just been elected principal of the Montrose School in Houston.

Mrs. Doty was reared in Gause. Her election as principal of this Houston school is regarded as a significant indorsement of her ability and popularity because she was one among a very few teachers to be named at the time the board acted on faculty members.

Considerable strife is in evidence in Houston over the naming of faculty members and Mrs. Doty's election was unanimous and many friends here will be glad to know of her advancement.

COACH WOOD TO BE ON FIELD FOR GAME

Coach Carol Wood, in a hospital for more than a week, has returned to Cameron and will be on the side lines Friday night to see his Yoemen play their first 1939 game.

* * *

1939 football will be inaugurated at Yoemen Field in Cameron on Friday night when traditional enemies of the grid iron, Caldwell and Cameron meet for their annual game.

During the recent illness of Coach L. C. Wood, who has been in a Temple hospital, assistant coaches Bennett and Patterson have been putting the Yoemen through the paces. The Yoemen were tapering off today on the hard work and were polishing up on plays.

With Pie Lucas in good form in the back field, an effective passing game is expected from the Yoemen

On the face of predictions by local sports observers the Yoemen are due to win from Caldwell on Friday night, not due to any special strength on the part of the Cameron team but because Caldwell is apparently much weaker than for several years.

As the Yoemen made ready to enter their first contest of the year, all eyes were on a number of the men who are to fight in this first grid iron battle. In the line is C. E. Woodum, 165 pound dynamic guard and letter man and Walter Black, 166 pound tackle, also a letter man returning from 1938. At end will be letter man Red Tindall, weighing 135 pounds and at the other end will be Robert Masopust, weighing 168 pounds completing the quadruplet numerals from the 1938 team.

Other material to go in the fray on Friday night will have to prove its ability in actual play. In the back field are a number of important charges for the year, notably Brashear, 118 pound back and his running mate, McLerran, 138 pound half back. Another back who is showing up well is Cobb, weighing 144 pounds, said to be fast, shifty and a dangerous ball carrier.

Looking into the line, there is Salach at center, weighing 165 pounds and Speck Dierr, 124 pound cyclone guard who on last Friday night in the scrimmage with McGregor, looked like another Jimmy Stanislaw had arrived for the Yoemen.

In the back field again is seen half back Allen, weighing 137 pounds who was also on the 1938 team. Pie Lucas is expected to be the spark plug for the back field attack this year and due to his passing, punting and ball carrying may develop to be the conference's most outstanding triple threat man. He has the ability and if he works hard, he will come through with all Yoemen traditions.

It is difficult at this time to predict the material at hand. The game on Friday night will disclose the conference possibilities of Wood's 1939 Yoemen.

An encouraging note on the eve of the first game was the report that in all probability Coach Carol Wood will be on the side lines as he was expected to return to Cameron on Thursday from a hospital in Temple.

Veteran Lions Feted When Local Club Meets Tuesday

Cameron Lions conferred on Oxsheer Smith and J. C. Martin, Monarch Chevrons before a record attendance of the club here Tuesday. Recongition of these men who have held their membership through a long number of years without withdrawal at any time, brought Lions to their feet as the chevrons were presented. The acclaim was accepted with deep feelings of appreciation of these Lions. The event was one long looked forward to by the club. Lions International presents the chevron to any Lion who has a maximum of ten years uninterrupted membership Lions Martin and Smith however have many more years to their credit, both being charter members of the club.

Of unusual interest was the manner of presentation. Each monarch presented the other with a chevron, not knowing that he in turn was to receive the honor at the others hand. Glowing tributes were paid to the monarchs by Lion members after the luncheon.

D. G. Roden of the Temple Lions club was guest speaker for the program which was an activity program. Lion Roden gave full details of the Lions Club Carnival held recently

Rotarians Hear About Billion Dollar Poultry Industry

Twelve per cent of the nation's farm income is derived from poultry, said Leo Fuchs in an address to the Cameron Rotary Club on Wednesday which brought members of the club and their guests, some 32 in number, an educational program on this rapidly increasing industry.

Mr. Fuchs told of attending the recent poultry congress where he saw exhibits of poultry from as far away as the British Empire and Japan.

The public at large does not know that Japan furnishes a large per cent of eggs consumed in the eastern part of the United States.

Mr. Fuchs went into considerable detail to tell about the development of the poultry industry, discussing care of chickens and how to prepare eggs, chickens and turkeys for the market. One of the principal requirements is proper feed for poultry.

The Fuchs poultry foundation west of Cameron, is one of the most important in the state. Mr. Fuchs said that during each season the hatcheries in Cameron need about 100,000 eggs every three weeks. Poultry will gradually solve the problem of farm income. He told of the work that his foundation has done to improve chickens in this ter-

GETS HONORABLE MENTION IN SCHOOL MAGAZINE

Of much interest to Cameron friends is the following paragraph taken from the August issue of The Texas Outlook:

Among the high school libraries of the state one of the best organized ones is that of Sulphur Springs High School. Mrs. Lillian T. Vest, a graduate of the library department of the Texas State College for Women, is the full-time librarian. The library is not a study hall, as is unfortunately the case in many schools, but is equipped with tables and chairs, and seats 120 students. The collection contains approximately 4000 books and the magazine list includes fifty-five titles.

Mrs. Vest is the younger daughter of Mrs. Frances Tuttle of Cameron and this is the tenth term she has served as a member of the Sulphur Springs High School faculty.

ritory and discussed better methods for raising poultry.

Dr. Clifford Swift, program chairman for the day, introduced Mr. Fuchs. A special guest for the day was Theo Fuchs, who is associated with his brother in the Fuchs Bros. poultry foundation.

President J. B. White announced three new members for the club, two of whom were present and introduced. Stanley Swift of the Swift Theaters introduced John R. Hays, post master, who has just become a member of the Rotary Club. Mr. Hays assisted in the organization of the Rotary Club in Cameron and the members were happy to have him enrolled as a member both for his influence and his leadership.

Albert Collins, chairman of the membership committee, introduced R. P. Williams, plumber, who takes an important position in the club. Mr. Williams is one of Cameron's leading young business men and is Chancellor Commander of the Knights of Pythias Lodge in addition to other fraternal and civic activities. Mr. Williams will be a valuable asset to the club because of his quality of leadership and interest in civic work.

Coach L. C. Wood who has been in a Temple hospital, was the third new member to be announced for the day. It was expected the club would be privileged to introduce Mr. Wood at its forthcoming meeting next week.

Another member is expected to be introduced at the forthcoming meeting. He could not be present for the day.

Lions

(Continued on page 4)

Temple . Cameron Lions are contemplating such an attraction here in the near future for the benefit of their boys and girls work.

Lion members were commenting favorably on the appearance of the "Lion Leader," a publication edited by the publicity committee of the local club. The attractive sheet is a little newsette with items of interest to all Lions.

The record attendance of the thirty Lion members was a tribute to Guy Haynes, president of the club. The attendance committee worked hard for the occasion of his return from the University of Texas to take over the reins of leadership of club activities. Lion Haynes presented to the club 23 activities. Outstanding among the activities presented will be the boy and girls work and sight conservation and blind work.

Immediate presentation of the Cameron Lion's Club annual Sight Conservation and Blind lectures was voted upon. The Cameron Lions Club newest activity will be the giving of lessons in the Braille System absolutely free to any blind person in Milam county or surrounding territory wherever blind persons may hear of this privilege. The Lions Club will secure free of charge any book on various subjects in the Braille system for blind people to read and enjoy. Cameron Lions want blind people to be happy and enjoy life to the fullest extent by reading good books free of charge. Any member of a family where there is a blind member can apply for this help to the Sight Conservation and Blind Committee of the Cameron Lions Club. Dr. C. G. Brindley is chairman of this work.

Mrs. H. C. Vance, in the Scott & White Hospital in Temple, was reported today to have shown no improvement and her condition is regarded as most critical. E. H. Coffield of Cameron, a brother, returned early Thursday morning from Temple and reported that his sister is gravely ill. She was operated on several days ago for a brain tumor. Mrs. Vance was born and reared in Rockdale. Another brother, Pete Coffield, resides in Rockdale. Mr. and Mrs. Vance have many friends in Cameron and Rockdale who are sincerely grieved over her critical illness.

Mr. Cosby was born in Perry county, Alabama but came to Texas when he was 3 years old and settled with his parents in Cameron later moving to a farm near Maysfield where he grew to manhood. Mrs. Cosby was born and reared within a few miles of where she now lives and moved with her mother to South Bend in Young county where she lived until she was 16 years old when she came back to Cameron and was married to Mr. Cosby on September 10, 1889. Immediately after they were married they lived in the old home at Maysfield later moving to Ben Arnold. With the exception of 8 years from 1915 to 1923, when they lived in Leon county, they have lived in Milam county. They were the recipients of hearty congratulations from their children, other relatives and friends who called during the day. Its principal ingredient is an intestinal tonic-laxative; imparts tone to lazy bowel muscles. Next time try BLACK-DRAUGHT!

Yoemen Lose To McGregor But Make Good Showing Here

Hope was brighter Saturday that the Yoemen would be in the conference race as a result of their showing last night against McGregor in a scrimmage at Yoemen field.

There were a number of standouts, notably Brashear in the backfield, 125 pounder who seems definitely on his way to giving somebody a fight for a regular place in the backfield. Speck Dierr at tackle was definitely impressive in this his first competition of the year and along with him showing up good were Woodum and Black.

Pie Lucas got away to a bad start being tied up almost the whole evening with an injured ankle. He looked too soft for the going and will have to snap into a better form, but Coach Bennett knows he has the stuff if he will get down to hard work. His passing was good.

The score of the game was 13 to 7 in favor of McGregor.

The Yoemen were not erpected to be serious contenders in the conference this year. Since the game Friday night there is general belief they may make a better showing than was first anticipated.

Coach wood is in a Temple Hospital and may have to undergo an operation. If so he will not be able to supervise the coaching this year. The burden will fall on Assistant Coach Punk Bennett.

The Coach will not be able to make the trip to Mexico City. Yoemen play their first conference game on September 29 against Rockdale on Yoemen field.

The game in Mexico City is on October 12th.

The McGregor team is expected to win its district and regional this year. Yoemen were outclassed Friday night but on the whole there was much to hope for this year.

Says City Marshal Doing Good Job of Protecting Property

Gene Smith, City Marshal, came in for a nice tribute today from E. H. Coffield, Gulf agent in Cameron. Some time ago Mr. Coffield requested the City Marshal to keep an eye on the Gulf warehouse on the Southern Pacific track because burglaries had become frequent in other parts of the state.

Last night a customer from Rockdale called and wanted some oil. Mr Coffield left his home and went to the warehouse, left his car in front with the lights turned on and when he had concluded with the customer, he found the City Marshal standing near his car investigating.

Mr. Coffield said that when the City Marshal finds the proprietor of the warehouse in his own place of business, it is pretty good evidence that burglars would have a hard time breaking in. The City Marshal stopped to investigate as he had promised Mr. Coffield and the Gulf agent believes Mr. Smith should be commended highly for his service.

One Negro May Die As Result of Crash On Highway Saturday

T. M. Maloy, negro is in Cameron hospital critically injured and may not live, as result of an auto wreck on the Milano road east of the Lampkin store at 8 p. m. Saturday.

Deputy Sheriff Dan Gunn reported Monday that Deputy Clarence McCall had investigated the wreck and found that the cars, three of them figured in the crash.

Bill Favors and his brother Buell Favors of Gause are in the Milam county jail following their arrest on Saturday night shortly after the wreck. The Favors brothers and Pete Rogers, who was driving the car, were parked near the center of the road. It was said at the office of the sheriff that the Favors brothers were intoxicated and also being held pending charges yet to be filed.

Pete Rogers who was driving the Durant car which had been made into a pick-up, was not intoxicated.

The Favors car without lights, was parked near the center of the highway when the Chevrolet coach being driven by T. M. Maloy, negro, rounded the bend in the road. At about this time Tabilo Mancillo, driving a Fork truck, approached from another direction and both drivers reached the parked Favors' car at about the same time and were unable to control their machines, the result being a head-on collision, both cars also striking the Favors' car.

Pete Rogers said the Durant car had been stopped in the road because of trouble. He said that the Favors brothers were sleeping in the car when the crash occurred. Mancillo suffered a badly injured right hand, but other Mexicans on his truck were uninjured. Maloy, the negro, was alone.
